Y2 Prep for the Junior School

From Monday 24th June we would like our wonderful Y2 children to begin coming into school on their own in the morning.

Staff will continue to man the gates to ensure the children are safe.

They are old enough now, and independent enough to sort themselves out each morning and it will be good to give them a little more responsibility for the last few weeks before they leave us.

- Wednesday is Wheel a Long Wednesday....Come on your bikes or scooters as we're having a pedlathon in school.
- Miss Denton is teaching Class 3 on Wednesday afternoon.
- On Thursday we have 'I Spy Walk to School.' Please meet Miss Rogers at Stone Moor Tree or Mr Barker at the Leisure Centre.
- Children will have time, on Thursday, to spend with their new teacher in their new classroom.
- At 4.00pm on Thursday we have the Reception Disco. Entry is £2.00. Please come in via the door next to Class 1. The disco finishes at 5.00pm. The children will need some change to buy refreshments and play the games.
- Class 3 have Forest School on Friday.
- We have Imagination Gaming in school on Friday next week.
- Children will spend some time with their new teacher in their new class. Our Y2 children will be playing games with Chris and other staff in the hall.
- Imagination Gaming Club for Y2 children will be in Class 4 on Friday.
- Miss Denton is teaching Class 1 on Friday afternoon.

Mrs Townsend's Pupil of the Week

Dottie Cookson. For having wonderful manners – always – and never sitting back to let others do the work. She's a real trier and contributes to all learning.

Nursery News

Mrs Parkes and Mrs Hindmarch will be home visiting new nursery children during the week. Miss Cowley and Mrs Schofield will remain in nursery supported by colleagues from school.

Tuesday 18th June is the induction meeting for parents of children starting school in September. Please try to come as you will be given lots of important information.

What are we learning in math's next week (week commencing 17.6.19)?

Reception will be learning number bonds to 10 e.g. $2 + 8 = 10$, $5 + 5 = 10$.

Year 1 will be investigating weight and volume over the next 2 weeks. Next week we will ask questions like "Which is the heaviest?" or "Which glass is half empty?". A very practical approach will be taken using the scales and containers.

Year 2 will be revising what they have learned this term – we only have 2 days as the children will be at the junior school for 3 days.

Tweak of the Week: We better keep going with quiet lines – been rained off a lot this week!

This week's praise board

The grown-ups are spotting the children doing something positive and sharing it on a board in the staffroom.

Noah Charlesworth was very polite when someone held the door open and has been very positive in phonics.

Mason Gomersall and Delyse Galloway helping children to make good choices outside of the classroom.

Missing item of clothing

Kira Fulcher in class 7 has lost a grey cardigan. It does have her name in it – could you make sure that you don't have it by mistake please? Thank you.

Thank you!

We would like to say a huge thank you to Lee from 1Step Fitness for coming into school on Tuesday morning to do a fitness session for children and adults. The hall was full of happy children dancing around and joining in (parents needed a bit of encouragement)! What a wonderful way to start our school day. It was simply great to be in the hall that morning and have that atmosphere in school at 8:45am.
