25th September 2020

Dear Parents/Carers,

VISIT TO THE MOOR ABOVE STOCKSBRIDGE ON WHITWELL LANE

As part of our theme "On Sudden Hill", we would like to take classes 1, 2, 4 & 5 to visit the top of a hill, the Moor above Stocksbridge.

Due to the current situation, we will be taking classes in their bubble. Mainly staff who work within the bubble will supervise. Two additional school members will also supervise. These staff members will wear PPE and maintain distancing to keep the integrity of the bubble. The children will only be out of school for a morning or afternoon session.

Therefore, the trips will be on different days as follows...weather permitting:

Thursday	1 st October AM, Class 4.
Friday	2 nd October AM, Class 2.
Monday	5 th October AM, Class 1
Monday	5 th October PM, Class 5

Your child needs to wear **sensible clothes** and **sturdy footwear**. They do not need to wear full school uniform but must wear their school sweatshirt. Depending on the weather forecast, please send your child with a waterproof coat and apply sun lotion if necessary.

If possible, please send your child with a packet of tissues in their pocket and a small bottle of hand sanitiser.

They will have their lunch in school as normal on their trip day.

Yours faithfully

Hilary Greenwood
