Y2 Transition WC 28th June

We are aware that the finishing time for the Y2 children at the Juniors that week will be 3.00pm. We will hold onto any younger siblings until you arrive if collection times clash.

Mrs Townsend's Pupil of the Week

Georgia Woodhouse. She is one of the most self-less, caring children I've had the pleasure to meet. She thinks of others before herself. She's always there to lend a hand. She sees ways that she can help on her own and she just gets on and does it.

Nursery News

What super athletes we've had at our Nursery Sports Days. The children ran, jumped and threw with big smiles on their faces and unending enthusiasm.

Superstar of the week

Milo Bond. What a fabulous sport he was. Milo never stopped trying and truly gave it his all. He encouraged others and helped us sort everything out too. Watch out Usain Bolt!

Who has celebrated their birthday since our last newsletter?

Logan Cordon, Reuben Priestley, Sonny Bradbury, George Swales and Mrs Davis

Supporting budding footballers

One of your talented little footballers plays for Penistone Church FC Under 7s team. They have been nominated by the Daily Mirror to get a free kit. The team have to collect 900 tokens which are included in the newspaper each day. These have to be collected by the 2nd July. If you take this newspaper, we'd like to support the club. Please drop them off at the School Office. We'll pop a box out for you to drop them in.

Fabulous Friday Assemblies

Each week in assembly we celebrate the week's achievements. If your child has done something at home, they'd like to share with school – an award, a certificate, something unusual, something new – feel free to send in a photo and I will include it in the assembly. Lots of children send in photos and films to share with their classmates but some children want their achievements celebrated more widely. It really is lovely to celebrate things the children achieve out of school as well as in it.

Reports

Your child has brought home their annual report today. Appointments for parents evening phone calls can be made via e-schools. We're also sending home a glossary sheet which may help if there are educational terms or equipment mentioned that you don't understand.

Prizes for cloakrooms, tweak of the week and Golden VIP tickets will be announced in assembly on Monday. We'll keep it a surprise. These are small things (to us) but they are very important to the children.

STOP HATE UK
STOP HATE. START HERE

Let's Tackle Online Hate Together

Make sure you know how to report content on any sites or apps that you use. Don't be afraid to report any hateful posts that you see.

Don't respond to the people posing hate: sometimes an ongoing conflict is exactly what they want. Instead, report, block and unfollow them.

Set a positive example through your own online behaviour. Before you post or share anything, ask yourself if you would say it to someone offline.

Show support for online campaigns against hate and 'like' posts that you see promoting positive messages. You could leave an encouraging comment, too!

If you see upsetting messages online, talk to your friends and family about them. Maybe take a break from the app or site you saw them on.

Remember that you have the power to shape your online world. Engage with posts or accounts that inspire kindness and connection, and block or unfollow the ones that don't.
