

Welcome to Class 5

Dear Parents and Carers we hope you've all had a fantastic but safe summer and are looking forward to a successful year ahead. We are looking forward to working with you to ensure your child has an exciting, happy and productive year.

Have you been reading in the holiday? Do you have a favourite story?

Please read the following information which will help your child settle into their new class.

The children will be doing P.E on **Monday** and **Friday** each week. Please make sure your child comes to school wearing their P.E kits on the above days. Unless the weather is very wet we will be having **P.E outside on Friday** so a pair of pumps or trainers and long bottoms will be needed. Please note that for their own safety children are not allowed to wear jewellery including earrings. **These will need to be removed on your Child's P.E day. Children are unable to take part in the lesson if they are wearing earrings. We are unable to remove them on your behalf.**

Volunteers

If anybody is willing to spend a little time in school to hear readers or work with the children your help will be greatly appreciated. Please come and see us if you are interested.

Reading

Please send your child's book bag each day and we will ask them to put it in their drawer in the classroom. We will listen to your child read once per week during guided reading sessions and the children will do additional reading activities during the daily phonics sessions. Throughout the week your child will have the opportunity to change their own reading books. The children will receive their first reading book on Friday 10th September along with information about our new system of using online reading diaries.

General Reminders

- Please send a water bottle labelled with your child's name to include water only.
- Our healthy snack policy includes fresh fruit or vegetables, dried fruits, hard cheese, breadsticks and crackers.
- Please can the children bring in a pair of named wellies that can be kept in school as we may need to use the field/meadow areas even when the grass is wet or damp.

Many Thanks from the Class 5 team!
