## Nursery News

It has been caterpillar mad this week in Nursery. Our story has been 'The very Hungry Caterpillar' and we have been learning all about the life cycle of a butterfly. We have some caterpillars in Nursery so we are looking forward to watching their transformation into butterflies in the coming weeks. Children have loved playing outside in the sunshine, fingers crossed the nice weather continues.

### Star of the Week

## Cleaner Vacancy

We have a vacancy for a cleaner in school. The post is for 10 hours per week, 3.00-5.00pm Monday to Friday. This is a 52 week post; our cleaners work during some school holidays. Working times during holidays differ to those normally worked. The salary is £9.43 per hour. If you are interested please contact Claire Wells in the school office for more information and an application form. The closing date is Thursday 5<sup>th</sup> May at 12noon.

## Illnesses

I sent some information home yesterday about the number of chicken pox cases we have in school. We have had just one more case reported today – the sibling of a child who is already infected. Let's hope the wave is passing us by.

## The Queen

This half term we are learning all about royalty and celebrating the Platinum Jubilee of our queen. As part of history we would like to ask if any one has any old coins (1953 onwards) or old stamps. We promise to look after them and return them to you. Also could we ask you to save and send in any packaging that has the Royal Warrant on e.g. Cadburys, Heinz, Kelloggs, Twinings. A full list can be found [here](#).

By Appointment to  
HM The Queen

## Zones of Regulation Books

Before Easter we sent home some information to you about Zones of Regulation – how we teach children about emotions. A parent asked if we could set up a lending library of the books listed in the information. We thought this was a great idea so we have some ready for loan. Stocksbridge Library is also looking into whether they can purchase these books so parents and children can loan them from there too. The books will be on the small table in the foyer in the office. Please just pop in and borrow whichever you need. If you could sign them out and tick them in, we will be able to keep a track of where they all are. Thank you.

The children's out of school achievements this week. The children love sharing these in assembly so please keep sending them in. They say they feel proud in front of their friends.

Well done to these cousins who both achieved their 5m swimming certificates on the same day!

# SPOTTING ADS ON SOCIAL MEDIA

Do you always know when you're seeing an ad on your social media feed? You might not! Some ads look just like any other post - they might be funny or cool, but really they're trying to sell you something without you realising. But here are some ideas for spotting ads like a pro!

Look closely at the profile picture

Pay attention to the account name

Check if it says "sponsored" or "promoted"

A 'verified' tick can still mean it's an ad
