Ollie Shephard. I'm not quite sure what we are going to do without Ollie Shephard next year. He is super helpful in the classroom, in the hall and outside. Nothing is ever too much trouble for Ollie. He's always there to lend a hand and we are very grateful to him.

Nursery News

We have been "Mad About Minibeasts" this week in Nursery. We enjoyed making ladybirds, counting spots, and learning all about earwigs and centipedes because we didn't really know what they were. Perhaps the biggest treat has been the sunshine and enjoying water play, block building and digging with some warm on our backs at last!

Star of the Week

Ronnie Waters has made us smile no end this week. He has been kind to friends, listened carefully, played enthusiastically and never stopped chatting. What a smashing little man.

Tweak of the Week: Look after property inside and out.

The children's out of school achievements this week. Keep them coming. What they do and learn out of school is as important as what they do here. Email items for the newsletter to Newsletter@stocksbridge-nur.sheffield.sch.uk

Feeding time for Jeff...that's the lamb's name 😊

It's "Ello, ello, ello!" from this young man.

Congratulations to this young lady and her family on the marriage of her parents.

We will bring children out on to the field for the picnic. At 1.00pm we will blow a whistle to signal the end of the picnic. Parents/grandparents of children from the morning's sports day will be asked to leave by the playground main gate. We will take all the children inside. Our younger children, having their sports day in the afternoon will then register inside and be brought outside to take part in the activities. We ask parents/grandparents to wait outside for us.
