## Phonics, Keyword and Reading at home.

Next week your child will be learning the following sounds (phonemes) and keywords in class. By the end of the week we want our Reception children to be able to recognise the sounds and read the keywords. Children in Year One and Two should be able to recognise the sounds, read and spell the keywords. Please help them by practising these at home and sharing the appropriate Monster Phonic eBooks.

The website has been made better with access to more books. We believe Monster Phonics are going to email parents directly.

Autumn 2 Week 3	Reception	Year One	Year Two
<b>Sounds/Phonemes</b>	ch sh th(v) th ng	oo oa	w-a w-or

# What Schools Need to Know about THE ONLINE SAFETY ACT

The Online Safety Act was passed into UK law in October 2023, with the aim of establishing major new layers of protection for children when they're online. The government has pledged "a zero-tolerance approach to protecting children from online harm" – and the act certainly includes more powerful legislation which should help to safeguard young people in the digital world. Our guide summarises the key points for schools ...

## WHAT THE ACT WILL DO

### HARMFUL CONTENT

Social media sites must rapidly remove illegal and/or harmful content such as bullying or harassing comments; pornography; and content that supports extremist activity or encourages or depicts violence, suicide, self harm or eating disorders. If they fail to do so, they can be fined up to 10% of their global revenue while their executives may even face jail time.

### ANIMAL CRUELTY

Content featuring cruelty to animals is now prohibited, even if it originates from abroad (where the law may be different). Again, it is the platform's responsibility to remove this.

### MORE TRANSPARENCY

Sites must be transparent about the hazards that any children using them could encounter – by publishing risk assessments for their platforms, for instance.

### HOSTING MISLEADING ADVERTS

Scams and fraudulent adverts must be blocked or removed, or the hosting companies are liable to be fined.

### NON-CONSENSUAL SHARING

It's now easier to convict online abusers or people who share intimate images without consent, while legislation on the criminality of deepfakes has been clarified. The new laws also relate to any individuals who even threaten to share such images. This should help to protect women and girls in particular online.

### REPORTING AND FILTERING

Sites should have easy reporting mechanisms for children (or their parents and carers) to flag up problems quickly. They must also provide options to filter out unwanted content.

### AGE-RESTRICTED MATERIAL

Sites must prevent children from accessing age-inappropriate material. This includes enforcing age limits and implementing robust age verification.

## What this means for you

The act has some specific implications for schools: it's essential that leaders understand the new legislation's scope and limitations. The act is certainly a positive step, but as artificial intelligence and other advances in tech continue to produce new challenges, schools will still need to remain extremely vigilant.

### KNOW WHERE TO GET HELP

Look out for the Code of Conduct that Ofcom is creating in response to the Online Safety Act. Note that the new legislation doesn't mean an instant change: many of its elements will only come into force at the end of 2023. An Ofcom consultation on 'protecting people from illegal harms online' will be running until February 2024.

### REMEMBER THE ESSENTIALS

Remain mindful of your organisation's own online activities: the legal duty for schools to maintain appropriate software monitoring and filtering, for example, will not change.

### WATCH FOR FUTURE DEVELOPMENTS

There are some issues on which the legislation remains less clear for now: whether it's possible for Ofcom to scan encrypted private messages (such as on WhatsApp) has yet to be resolved, for instance – making this an area where, for the moment, young people have less legal protection.

### UNDERSTAND AND EXPLAIN

Staff should learn how to raise concerns with tech companies whose platforms contain anything upsetting or unpleasant. Students also need to be made aware of the newly strengthened laws relating to cyber-bullying, sexting or posting inappropriate content. Young people do make mistakes online – so the clearer their understanding of the possible consequences, the better.

### ENGAGE WITH PARENTS

Schools should also explain to parents and carers the new possibilities that the Online Safety Act affords them in terms of protecting their children. Many parents may have previously felt that there was little they could do about changing online platforms' content; they now have a far greater level of support when complaining about a company or the behaviour of an individual.

## Are you interested in supporting the school by becoming a governor?

Due to some recent resignations we have vacancies for 2 parent governors. A letter, with more information about this role, has been sent with this newsletter. A parent governor is elected by the parent body of the school.

We also require 2 co-opted governors. A co-opted governor is appointed by the governing board and who, in the opinion of the governing board, has the knowledge, experience and skills to contribute to the effective governance and success of the school.

You can read more about the role of a governor on the [Learn Sheffield website](#).

All governors, parent, staff and co-opted, have three core responsibilities. These are:

1. To ensure clarity of vision, ethos and strategic direction of the school.
2. Hold the headteacher to account for the educational performance of the school and its pupils.
3. Oversee the financial performance of the school and make sure its money is well spent.

We would welcome interest from any one who has the skills to support the school in any, some or all of these responsibilities. We would particularly welcome governors with interest, skill or expertise in Early Years, HR or finance.

## ESchools

Some parents have mentioned that they are having issues with their ESchools accounts. Mrs Kaine in the office has spoken to ESchools and they have assured us that everything appears to be working as it should. They have suggested that any parents having issues should log out of the app, delete it and reinstall it. If you do not have the app and you simply log in on the website, they have advised that these parents download the app and use this instead. If you have done all of this and are still having problems, please call the school office.

## Crossing Patrol

Some parents have been asking when we are going to have a new crossing patrol person. Schools do not employ their own crossing patrols; this is the responsibility of the Local Authority. They are aware Pat retired at half term and they are trying to recruit someone for us.

If you are interested in being our next Crossing Patrol Warden, or you know someone who might, you can apply via this [link](#) to Sheffield City Council. Please let them know you want to work with our school as we wouldn't want you to be whisked off somewhere else!

## Christmas Nativities

Rehearsals are underway for our forthcoming nativities. The dates and times of the nativities are below. They are also on our school calendar on the website. We have space in our hall for each child to have 2 guests. **We have also invited residents from Alpine Lodge to join us. For some it is the highlight of their year.**

Monday 11th December, 9.00am – Wiggly Nativity by Classes 6,7 & 8. Parents of children in Class 8 and our Y1 parents from Class 7 are invited to this performance.

Tuesday 12<sup>th</sup> December, 9.00am – Wiggly Nativity by Classes 6,7, & 8. Parents of Class 6 and our Reception parents from Class 7 are invited to this performance.

Wednesday 13<sup>th</sup> December, 4.00pm – The Nativity by Nursery.

Thursday 14<sup>th</sup> December, 9.00am -The Inn Spectors by Classes 2 & 3.

Monday 18<sup>th</sup> December, 9.00am – Midwife Crisis by Classes 1 & 5.

We ask that child care is organised for younger siblings and that they are not brought to performances. Last year we had lots of unsettled babies and toddlers and it made it very hard for our young children to perform. It was also tricky for lots of the audience to hear. We appreciate this may be hard for some parents but the children (and staff) put in a great deal of time and effort rehearsing and it's such a shame for it to be spoiled because our little siblings are upset or unsettled.

### Mobile Phones at Nativities.

Staff do not use our mobile phones around children in school – we can't for safeguarding reasons. Parents are not and won't be allowed to use them during the nativities. To save us having to ask parents to put them away, how about leaving them at home for the nativities this year?

## Photographs

Our usual photographer, Steve Cooper, is no longer available to work with school. We have a new photographer coming to work with us. He will take the children's individual photos in January. Unfortunately, he has no capacity to 'fit us in' before Christmas.

Mrs Townsend will act as resident photographer at Christmas and take photos of all the children in their nativity costumes. She's no David Bailey but she will do her best. We'll pop the photos on Seesaw so you have them

Class photographs will be taking place in the summer term.

**Tweak of the Week:** Great behaviour in the hall at lunchtime week!

## FOSNI Christmas Fair

We thank everyone who returned their jars and cups back into school. If you haven't already done so please could you return them to your class teacher.

One last thing before the big day arrives.

Each class has been asked to create a chocolate hamper. These will then be raffled off at the Christmas fair.

To support your class if you can spare any chocolate to add to their hamper, it might be a small bar, or an unwanted chocolate gift please send it to school with your child or hand it to your class teacher.

We are still asking for bottle donations for our bottle game.

We are really looking forward to the Christmas fair and we appreciate all your help and support.

Many thanks

The FOSNI Team

We have an important announcement from the big man in red:

"I have saved a spot in my busy schedule to come and visit the boys and girls of Stocksbridge Nursery and Infant School. I shall be arriving at your school fayre with my sack of presents on Tuesday 12<sup>th</sup> December and I would love you to come and visit me"

There are still a few slots left so if your child/ren would like to visit Santa at the school fayre, please come to the school office next week to book an appointment between 2:45 – 5.00pm. The cost is £4 for a slot with a present for each visitor. Please bring this with you.

**Assembly Theme: Hannukah**

**Parents/carers** – please visit the following link and take a look at the survey. If you have time it would be appreciated if you could complete the survey. Thank you.

Children or parents can complete the survey here: [www.childrenscommissioner.gov.uk/thebigambition](http://www.childrenscommissioner.gov.uk/thebigambition) . Further resources are available on our [website](#).

It is really important that the pupils at Stocksbridge Nursery Infant School have participated in The Big Ambition survey and had their say.

I want to ensure that the voices of the children in Sheffield are fairly represented in the findings so that I can share their views with the most senior members of the country.

It is vital that all children have their voice heard through this survey. The Big Ambition provides a much-needed opportunity for the children of England to tell political decision makers what is important to them ahead of the General Election. I will be sharing their responses with Government to ensure that children's voices are heard.

### **Information about measles.**

The most important thing to help prevent the spread of measles is to ensure that everyone is vaccinated.

It is important to have the MMR vaccine and we are trying to encourage parents/guardians to take up the offer of an MMR vaccine if their children are not fully vaccinated.

The free MMR vaccine is a safe and effective way of protecting against measles, as well as mumps and rubella. The best way to prevent children getting measles is to make sure they have their two MMR vaccines on time – the first at 1 year of age and the second at 3 years, 4 months.

If parents/guardians and their children have missed these vaccines, it's not too late. If parents/guardians are unsure if their child has received the MMR vaccine, they should check the 'Red Book' which is updated when vaccinations have been given or contact their GP practice.

Parents/guardians can ask for the free vaccine from their GP if they or their children aren't up to date.

For more information about measles, visit the [Healthier Together website](#) or the [NHS.uk website](#).

For more information on the MMR vaccination, visit: [www.nhs.uk/mmr](http://www.nhs.uk/mmr)

You may find the links below helpful. They include information about measles and MMR leaflets which you can either download or order free printed copies of. Translated versions are also available.

- [Measles: don't let your child catch it flyer \(for schools\)](#) – various translations available [here](#).
- [MMR for all: general leaflet - GOV.UK \(www.gov.uk\)](#) – translations available on the same page.

In the first instance, parents/guardians should contact their GP practice to arrange an MMR vaccination

**Tweak of the Week: Great behaviour in the hall at lunchtime week!**

## Parking

Please do not park in Alpine Lodges car park at drop off and pick up times. It's not a public car park. It's not our car park. We know some Alpine staff are getting frustrated with parents who park there and have taken matters a little into their own hands, blocking the exit so that parents have difficulty leaving. We can't blame them really. We have no right to park there.

We do have agreement with the Leisure Centre to use their car park at drop off and pick up.

## Illnesses in School

We have some particularly nasty bugs in school at the moment – Class 6 have been badly affected. Children have temperatures and coughs and some have the dreaded S & D.

## Class 6 & 7 Rabbits

The rabbits have gone on holiday.

As you all know outside Class 6 and 7 we have our Reception classes pet rabbits, Biscuit and Muffin. The children have loved, feeding, cleaning them out and petting them. They have enjoyed talking to them and watching them as they run around, they are really fast!

As the weather is turning colder we have had to take the rabbits to their winter holiday home earlier than expected. Mrs Marshall from the office had a space in her inside rabbit run and has kindly offered to look after them for us. We took them this week to their new winter home and they settled in well and are warm, happy and eating lots!

They will be back when the weather gets better next year so the children can continue to enjoy their company.

## Some highlights from this week:

**Assembly Theme:** Hannukah

### **Mrs Townsend's Pupil of the Week**

**Alice Spencer** You couldn't really wish to meet anyone nicer than Alice. She has a super attitude to school and life in general. Alice wants to learn, she wants to improve and she puts in lots of effort to do so. She is a loyal, kind and caring friend. She is fun to be around. Alice is polite and considerate. If she thinks you're not quite yourself, she will ask you if you're OK. Generally, an all-round little superstar and someone lovely to have in school. Thank you Alice.

### **Nursery News**

In the excitement of Advent calendars and elves, the children thoroughly enjoyed visiting the ambulance this week, especially sitting in the driving seat! They have chatted a lot about paramedics since Tuesday and learnt some new words which is fantastic.

### **Star of the Week**

**Eadie Tazzyman** is going from strength to strength and absolutely loves learning. She has so much knowledge about the world around her and is always ready to build on it, try new things and better herself. What a fantastic attitude for a 3-year-old. Eadie, you are a superstar!
