Some activities are free while others are charged, but there's plenty to choose from. Remember, you can earn CU credits for taking part! All our Learning Destinations (approved activity providers) deliver activities throughout the year, so why not find their details and discover what's on offer? www.childrensuniversity.co.uk/activity-search

If your child attends a Sheffield school (or is educated at home), then join Sheffield CU today. Buy a Passport to Learning (£3.50) from any Sheffield library, sign the consent sticker in the front and off you go! Full details and more info on how CU works can be found on the card inside the Passport.

CHILDREN'S UNIVERSITY - WHAT IS IT?

Children's University (CU) encourages children and young people to take part in extra learning activities in their own time (beyond the school day). They earn 1 CU credit per hour they take part, which leads to certificates and badges between 30 credits (Bronze Award) and 100 credits (Gold Fellowship). Some are presented at our Gold Awards Ceremonies (see the picture at the top!). We know it makes a difference - pupils have fun and make new friends as well as develop confidence, motivation and essential life skills. They're more likely to have better attendance, make more progress and achieve more at school.

Home Learning Challenges!

 We published 98 Home Learning Challenges during the summer 2021 – everything from making sock puppets to mini Olympics, and curating your own museum to making slime!
