Community Warming

A volunteer run UDCE Project

**Got a cold house?
Our successful project is
starting again in Sept 2025**

Community Warming can help by providing and fitting :-

Door curtains to block draughts

Draught Excluders

Insulation tape to fill gaps

Hot water pipe lagging

Radiator heat reflectors

Low energy light bulbs (LEDs)

ALL FOR FREE

**Small measures can make a big difference :-
draughts account for typically 15% of heat loss in a
home**

Installation is by professional handypersons
