

The Penistone Honey Company bees work very hard to produce high quality delicious honey for you to enjoy from the local area.

Each jar is single source, being a batch from a single apiary and identified by the label.

The flavours, textures and colours are dependant on the mix of flowers, blossoms and plants available in each area and the time of year the honey was collected. Consequently they are all different.

Our honey can be bought from the following outlets:

All is Good, Art House Cafe **Penistone**, Cecil Penney Garage and Community Gardens in **Springvale**, Freshfields Farm Shop **Cubley**, Waggon & Horses **Oxspring**, Cellar 41 **Thurgoland**,

Wortley Wagyu **Wortley**, The Little Bakery **Thurstone**, Parkhouse Fresh Produce **Ingbirchworth**, Morrisons Daily **High Green**, Hill & Harvest Farm Shop **Shafton**, Rations Village Store **Skelmanthorpe**, Café Cross Roads **Barugh Green**,
